Balan Wonderworld

Welcome to a wondrous all-action show, the likes of which has never been seen before! Balan Wonderworld is a wondrous action platformer game themed around the Balan Theatre. Led by the enigmatic maestro named Balan, the stars of the show Emma and Leo will use special abilities from a multitude of characterful costumes as they adventure in the bizarre and imaginary land of Wonderworld. Here memories and vistas from the real world mix with the things that people hold dear. Twelve different tales await our stars in the Wonderworld, each with their own unique quirks. They will explore all corners of these labyrinthine stages, filled with a myriad of tricks and traps, to get to the heart of each story.

Twin Robots: Ultimate Edition

Watt and Volt are two twin robots, who have been forgotten by time and abandoned in an old robot factory. Marked as defective by mistake, if they wish to prove themselves as deserving a place in today's world, they must pass a series of grueling tests. Watt and Volt will have their work cut out for them, but the good news is you might not have to go it alone as although both robots can be controlled at any moment due to swapping between them, co-op is fully supported, so as long as you have a friend to control the other robot, the only thing you'll need to focus on, is what your own robot is doing. Only you can help the Twin Robots pass their tests and escape the old factory in one piece!
