Sticker Machine Measuring Instructions

Inside the kit there are 3 different sizes of sticker machines (1.5" / 2.5" / 5")

To help make the sticker machines supplies last, we have included a Sticker Measuring Tool to help measure your use.

Please do not use more than 6 Feet worth of supplies per loan.

You do not need to send back scrap supplies as proof.

You may purchase your own sticker refill cartridges to use with the machines. Please let us know ahead of time, and we will remove the PLS sticker refill cartridges.
