

Peace Library System has 12 different versions of the Catan board game available for member libraries to borrow. Among our collection are stand-alone games and expansion sets. Use this sheet to help determine which games are required to play together.

Expansion Games

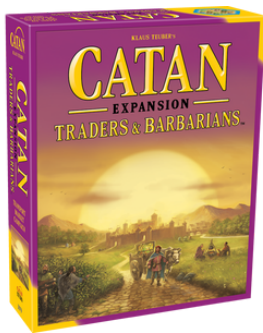

Expansion sets add new components to the original Catan game.

In order to play an expansion set, you will also need to request the original Catan:

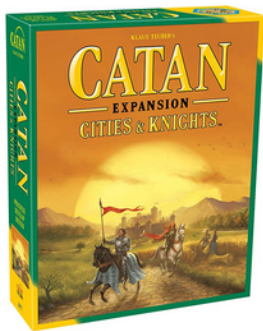

To play any of these:

Seafarers Expansion

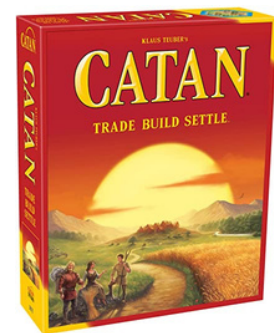

Traders & Barbarians Expansion

Cities & Knights Expansion

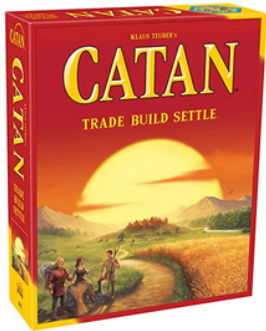

You also need:

Catan

Stand-Alone Games

These games can all be played on their own. No additional games/expansion sets required:
