Paperback Bestseller Book program has a very short turnaround time to order the books. We only give a four (4) day window for the librarians. We receive the books around 4 days after ordering them from the vendor.

For Your Information titles will be throughout the year. These will be sent to you via Email: Excel order form.

Many of these programs are overlapping from month to month. Many of the programs are compiled and have deadlines to the librarians. This is usually a two (2) week time.
